The Health Care Partnership (HCP)—between your employer and a number of area pharmacies—helps you find discounted dispensing fees, competitive drug ingredient prices, and preferred service levels. By using an HCP pharmacy, you are partnering with your employer to manage costs and help sustain your comprehensive coverage.

Le Réseau de fournisseurs privilégiés (RFP) — une entente conclue entre votre employeur et un certain nombre de pharmacies locales — vous permet de bénéficier de frais d'exécution d'ordonnance moins élevés, de prix concurrentiels pour les ingrédients des médicaments ainsi que de services privilégiés. En vous rendant à une pharmacie participante, vous faites équipe avec votre employeur afin de maîtriser les coûts et de favoriser le maintien de protections généreuses.
